ACTIVITIES
All children will be encouraged to participate in all group activities. However, due to the nature of activities for this camp it will be a “challenge by choice”, in other words campers will not be made to do any activity they are not comfortable doing. Due to the size of the program, one-on-one supervision is not available, but we will have a minimum of 1:5 ratio of staff during outdoor adventure activities. Please send a written note if your child may not view PG-13 rated movies.

STAFF
We will have CPR & First Aid certified staff on site at all times. Counselors and Site Supervisors have passed sex offender database searches, a national criminal background check, and drug screen, In addition, they have received all Spartanburg County required safety, program implementation, and youth development training.

MEDICATION
If your child needs to take any medication while at camp, you must fill out a permission form giving authorization for camp staff to administer the medicine. The center does not provide any medication to any child.

ILLNESS
If your child becomes ill or has a fever, they cannot be present at camp. If your child becomes ill during the program, a parent or guardian will be notified and will be asked to pick up the child. Your child must be fever-free for 24 hours before returning to camp.
MEDICAL EMERGENCY PROCEDURE
If your child is injured and requires more than basic first aid, the following steps will be taken:

1. Staff will notify parent/guardian and, depending on severity of injury, may call 911 first.
2. If parent/guardian is not available, the emergency contact listed on the registration form will be contacted.
3. If no one on the registration form can be contacted and it is imperative that the child be immediately transported for care, Parks Department staff will accompany the child.
4. Paramedics will take the injured child to the nearest hospital.
5. The Parks Department staff will continuously call the parent/guardian/emergency contact until someone is reached.

DISCIPLINE
Should a disciplinary problem arise, staff will respond immediately to the situation. You may be contacted to pick up your child if the problem affects the safety and well-being of another participant and/or staff member, or if the problem cannot be resolved by staff.

Suspension is possible if a child deliberately harms another child and/or staff member, participates in the deliberate or willful destruction of facility property, or if staff cannot control your child’s behavior. For the safety of all children and staff members, the following behaviors will not be tolerated and disciplinary action will be taken immediately:

- Foul or sexually suggestive language
- Sexually suggestive behavior
- Hitting or striking other children and/or staff
- Insubordinate or disrespectful behavior
- Damage and/or theft to other’s property
- Bringing weapons and/or illegal items to camp

Discipline may include a verbal warning, “time out”, being sent to the office, exclusion from certain activities, and suspension. We will ask for a parent conference if discipline problems continue. If the behavior continues, you may be asked to make other arrangements for your child. No refunds and/or credits will be issued if your child is removed from the program for disciplinary reasons.

FIELD TRIPS
Field trips are included in your session fees. Schedules with the times and destinations will be distributed. Please check the calendar as your child may be scheduled for a field trip on a Monday and will need to bring specific items/clothing with them to camp.

Due to a limited number of staff, field trips are not optional. Please have your child here by the time specified on the schedule. If your child does not attend the field trip, you must make alternate arrangements for child care that day. Fees will not be prorated if your child does not attend a field trip.
