

Monthly Performance Report

July 2015

Tyger River Park “Topping Out”

The final planned improvement for Tyger River Park, shade structures over the stadium, was recently completed. The facility – and the Parks Department – will host two back-to-back tournaments in July: an NSA World Series July 22-25; followed by the ASA Nationals, July 26-August 2.

Spartanburg Regional Foundation Provides Donation

Marcia Murff, Development/PR Manager and Mike Nation, Senior Project Manager, pose with a \$10,000 check presented by the Spartanburg Regional Foundation to benefit the Cleveland Park Playground. Construction documents for the playground reconstruction are expected in July; construction bids will be sought immediately thereafter.

Trails Development Report

A report on trail development activities from Partners for Active Living is attached.
